

CODE OF CONDUCT FOR PARENTS & VISITORS 2026-2027

That all may have life - life in all its fullness

Our Mission Statement

The aim of our school is excellence in education in accordance with the teachings of the church.

We recognise that everyone is unique and has something to offer and we seek to develop each child's potential in a learning community where all are respected. We want every child to achieve and experience success.

Working in partnership with children, their parents, our parish and the wider community, we promote Christ's teaching as found in the Gospel so that 'all may have life, life in all its fullness'.

We aim to ensure this is done by;

- Praying together
- Living and working together as a loving, caring and forgiving community
- Valuing the experience and diversity of every person in our community
- Encouraging the children to achieve of their best – mentally, emotionally and spiritually
- Helping all in our community to experience the joy of learning and working together

At St Margaret Clitherow Primary School we are very fortunate to have a supportive and friendly parent body. Our parents recognise that educating children is a process that involves partnership between parents, class teachers and the school community. As a partnership our parents will understand the importance of a good working relationship to equip children with the necessary skills for adulthood. For these reasons we continue to welcome and encourage parents/carers to participate fully in the life of our school.

The purpose of this policy is to provide a reminder to all parents, carers and visitors to our school about the expected conduct. This is so we can continue to flourish, progress and achieve in an atmosphere of mutual understanding.

Guidance

As well as following the guidance set out in our Home-School Agreement, we expect parents, carers and visitors to:

- Respect the Catholic ethos of our school.
- Understand that both teachers and parents need to work together for the benefit of their children.
- Demonstrate that all members of the school community should be treated with respect and therefore set a good example in their own speech and behaviour.
- Seek to clarify a child's version of events with the school's view in order to bring about a peaceful solution to any issue.
- Correct own child's behaviour especially in public where it could otherwise lead to conflict, aggressive behaviour or unsafe behaviour.
- Approach the school to help you resolve any issues of concern.
- Avoid using staff as threats to admonish children's behaviour.

In order to support a peaceful and safe school environment the school cannot tolerate parents, carers and visitors exhibiting the following:

- Disruptive behaviour which interferes or threatens to interfere with the operation of a classroom, an employee's office, office area or any other area of the school grounds.
- Using loud/or offensive language, swearing, cursing, using profane language or displaying temper.

- Threatening to do actual bodily harm to a member of school staff, visitor, fellow parent/carer or student regardless of whether or not the behaviour constitutes a criminal offence.
- Damaging or destroying school property.
- Abusive or threatening e-mails or text/voicemail/phone messages or other written communication.
- Defamation of the school's or staff character on Facebook or other social sites.
- The use of physical aggression towards another adult or child. This includes physical punishment against your own child on school premises.
- Approaching someone else's child in order to discuss or chastise them because of their actions towards their own child. (Such an approach to a child may be seen to be an assault on that child and may have legal consequences).
- Smoking and consumption of alcohol or other drugs.
- Cycling on school premises.
- Dogs being brought on to school premises.
- The use of Meta glasses on school premises is not allowed

We also ask that parents do not use mobile phones on the school premises, in line with our safeguarding procedures and child protection policy. The school accepts no responsibility for mobile phones that are lost, damaged or stolen on school premises or transport, during school visits or trips, or while pupils are travelling to and from school.

Should any of the above behaviour occur on school premises the school may feel it is necessary to contact the appropriate authorities and, if necessary, even ban the offending adult from entering the school grounds.

We trust that parents and carers will assist our school with the implementation of this policy and we thank you for your continuing support of the school.
